GreaseBusters Opening Offices in Kingdom of Saudi Arabia

Contact: Monika Palmore – 800.225.0582, monika@greasebusters.com

Rockville, Maryland (September, 2016) – Industrial Steam Cleaning, Inc (dba “GreaseBusters”) is the leading international kitchen exhaust hood cleaning company. They have announced the opening of a new office in Riyadh, Saudi Arabia. This expansion into new international markets is consistent with the company’s commitment to take their quality-focused cleaning and training methods world wide.

Consistent with their international expansion targets, GreaseBusters has achieved ISO 9001 certification which is an internationally recognized standard for quality management systems. The company has adopted this standard of management practices, policies and procedures throughout their international network of offices.

The GreaseBusters International, have had a longstanding commitment to quality, safety and customer satisfaction for over 45 years.

About The GreaseBusters International
